Worshipful Master

Brethren and our Masonic Family, happy New Year!

Since this is the beginning of a new year, first of all, the incoming Worshipful Master Mark Patton and I would like to wish to all of you a very Happy and a Prosperous New Year 2021. Especially in these difficult times that our Nation and the whole World are going through!

Something new for for all Lodges due to the COVID restrictions is the virtual Officers Installation.

Ours will be held on Saturday, January 9<sup>th</sup>, at 7 pm.

A reminder to the incoming Officers and Installing team to attend via zoom the practice prior to the Installation, on Thursday, January 7<sup>th</sup>, at 7 pm.

Both virtual activities as well as our Stated and Board meetings are going to use the same ID to be connected.

The meeting ID is: **748 876 6741** – no password is needed.

Our next virtual on-line video Stated meeting has been scheduled for **Thursday, January 14<sup>th</sup>, at 7 pm.**

I would also like to remind you that our Hall Association meeting has been scheduled for **Monday, January 4<sup>th</sup>, at 7 pm.**

At this point - even though due to the COVID, the past Masonic year was affected greatly as well as our lives - I would like to thank our Grand Lodge leaders and especially the Officers of our Lodge for your support. I would Like to thank all the Brethren of our Lodge for attending our virtual meetings, including those who couldn't attend due to the fact of not having the ability to connect but supported me by calling.

Thank you all for allowing me to be your Leader of this great Lodge of ours this past year.

I wish our incoming Master, Worshipful Mark Paton, to have a great year! Let's all support him and lift him up. Don't forget to show up to our stated meetings not only for the content of the meeting but to help show appreciation to our Master and Officers for all the hard work they put in every month.

In closing, I would like to bring forward our Masonic Brother, member of our lodge, and my dear familial brother, Worshipful John Patronas. An unfortunate fact of life has become of him and we found that he passed away this last Dec 6.
